Animal Bill Hearings This Week in Lansing!

SB285

SB 286

Senators Bieda and Jones are the sponsors of these bills. SB 285-6, from the Wayne County Prosecutor, increase penalties for cruelty based on number of animals affected, whether the victims are companion animals, and whether the perpetrator is a breeder or pet store. These bills also give the sentencing ability to deny pet ownership for 5 years

Please ask that these bills be supported and passed.

I have worked in animal rescue for 35 years and breeders commit some of the most horrific crimes to animals.

Pet shops selling these animals only perpetrate the breeder mentality.

There are thousands of animals in shelters and rescues that need homes.
